**RE: Request for Reconsideration**  
**File No. 02 104238**  
**Applicant: Cingular Wireless**  
**Appellant: Mike and Kim Myhre**

Dear Examiner Backstein:

Please accept this Request for Reconsideration on behalf of Cingular Wireless of your Report and Decision dated January 27, 2003. We believe that the Decision's Findings 12 and 16 and Conclusions 2, 3, 4 and the last sentence of 6 are not supported by the record and that the decision represents an error of law.

In Conclusion 6 it appears that the applicant is invited "to submit additional information with regard to the nature and use of the property, other sites, or combination of sites, which would accomplish the same purpose." We take this to mean that Cingular may submit further information how other sites, or combinations thereof, do not and cannot accomplish the purpose of closing this significant gap in coverage as intended by overriding federal legislation.

We look forward to the opportunity afforded SCC 2.02.167 to hopefully re-open the open record hearing and both present new evidence and emphasize where existing portions of the record were for whatever reason overlooked in the questioned Decision.

Respectfully Submitted,

KARR TUTTLE CAMPBELL
